NEW 2016 CATALOG

Time for a fresh start now the summer holiday has reached its end! Kang Yang Europe has launched a brand new catalog which is now available for you to support you with choosing your needful hardware components.

We have been working extremely hard on our new 2016 catalog and we are pleased to announce our most comprehensive catalog to date.

Do you need Samples? Please ask us!
Do you need more information? Please call us!

Our new catalog shows over 12000 products indexed in product sections like Cable Management, Circuit Board Hardware, Wire Routing Products, Rubber & Plastic feet and LED accessories.
Also we have included sections for PCB terminals, EMC shielding products and silicon heat pads.

In the unlikely event your product is not listed please contact us. You will be surprised what we can do for you!

Satisfaction guaranteed: All products from our new catalog are available and can be ordered from us as a free sample.

Our FREE catalog is here!

The best things in life are free: Our new 2016 catalog can be ordered for free by leaving your contact details on info@kangyang-europe.com or click on the miniature catalog below. You can also call us on +31 (0)345 651937

Kang Yang originates from Taiwan and has an excellent reputation for the design and manufacture of standard and custom rubber and plastic components.
