Our New FREE catalog is here!

Your Advantage!

Kang Yang is one of the world's leading and prestigious manufacturers specialized in plastic hardware and electronic components. With our European Office and Warehouse operating from The Netherlands, business is made even easier.

Our complete product offering protects, supports, shields, transmits, and connects to the products or devices we use every day.

Our new 2017/2018 catalog has just arrived and can be ordered for free by leaving your contact details by e-mail on info@kangyang-europe.com or click on the miniature catalog below. You can also call us on [+31 \(0\)345 651937](tel:+3120345651937)

Kang Yang originates from Taiwan and has an excellent reputation for the design and manufacture of standard and custom rubber and plastic components.

We have moved!

Through the years Kang Yang has introduced a wealth of innovative products designed to solve your design issues. We can offer readily available catalog products or modify many items to your needs. Custom solutions are a challenge to us. Try us!

We have moved to a new office!

We are pleased to announce that our company has moved to a new office building. The new spacious premises, along with more convenient location, will enable us to provide better service for our customers and to make your visits even more comfortable.

We invite you to visit us at:
Meinte 12, 4153 XE Beesd,
The Netherlands.
